About Us

Established in 1954, Gordon Advisors is the **11th largest** public accounting and business consulting firm in Southeastern Michigan, according to dBusiness Magazine. We are a growing, dynamic organization looking for the right people to grow with us. We believe in delivering outstanding service to our diverse client base as well as providing a strong firm culture where our staff feel like family members.

The heart of our success starts with a strong team with shared goals; therefore, staff development is essential. Our team members are exposed early in their careers to client work in different service lines and industries in order to help them find their true passion and set their own career path.

We recognize our staff have personal lives outside of work and keeping a healthy work-life balance results in a more productive team. For that reason, our professionals work fewer total hours per year than industry average.

We offer an excellent compensation and benefit package commensurate with experience and opportunities for career advancement. Gordon Advisors has been named one of Inavero's Best of the Best Accounting Firms, Accounting Today's Top 100 Accounting Firms to Work For, and in 2020 we were recognized as One of the Best and Brightest Companies to Work for in Metro Detroit - our 15th year earning this honor.
